ABSENTEEISM AND LATENESS

Consistent attendance and punctuality at school is important to your child's success in school. Being an active participant in class helps your child better understand the learning goals of the class, as well as how to successfully achieve those goals. Consistent attendance also reinforces the value of education.

There may be times when your child is unable to attend school. If that happens, we would appreciate an e-mail, a note in the agenda giving us the heads up, or a phone call.

SCHOOL COMMUNICATION

By checking the Rosser School website at <https://rosser.interlakesd.ca/> you will find news updates, calendars, permission forms and parent portal web access.

By checking the Interlake School Division website at <http://www.interlakesd.ca> you will find various subject headings where you can access information about our school and school division.

In addition to this, Mr. Lawson sends out a weekly email and a monthly calendar.

THE 6-DAY CYCLE

Our school operates on a 6-day cycle. This year, Wednesday, September 4th starts our cycle at Day 1. Please note that Kindergarten students start school on Friday, September 6th, and that they attend school day's 1, 3, and 5 for a full day. Our Grade 3/4 class attends Grosse Isle School gym on Day 2.

NUTRITION AND OUTDOOR ACTIVITY BREAKS

Outdoor breaks enable the students to get some fresh air and physical activity during the school day. If you think your child needs to stay indoors, please send a note in their agenda with your request.

Students are not permitted to leave the school grounds during nutrition and outdoor breaks unless they have written permission from their parents.

PICKING YOUR CHILD UP AT SCHOOL AND HOME-TIME CHANGES

Please inform the school of a change that affects your child/children at the end-of-the-day dismissal. This includes bus changes, pick-up changes, and permission to go home with someone other than a parent/guardian.

Please send a note in your child's agenda and/or an email to the class teacher, copied to Mrs. France and Mr. Lawson or call the school (204-467-2717). Our secretary, Michaela France, is in the office 8:00 – 11:30, and Mr. Lawson is in and out of the office throughout the day. If you are unable to connect with a member of staff, you can leave a phone message. We do try to check phone messages before buses arrive to make sure there have been no changes to home time routines.

If you have indicated someone else is picking up your child/children (for example, a relative or friend) but our staff does not know the person who is picking up your child, the person will be asked to show identification.

HOME CONTACT INFORMATION

Please provide the school with information regarding any changes in contact information for students. We do encourage you to log on to PowerSchool to check "Logistical Demographics" and to make any necessary changes. This information was typically sent home in paper copy as a registration form for you to make changes.

If parents/guardians are going to be away, please provide the backup information of the caregiver in case of emergency.

FRONT DOOR POLICY

The front door of the school may be locked because there are times during the day when no one is in the school office to greet visitors. If the door is locked, please ring the buzzer or the doorbell located on the right side of the door, and we will greet you as soon as we can.

PARENTS IN THE SCHOOL

Please check in at the office first if you come to deliver something to your child or to pick him/her up. It is important for us to know who is coming in or out of the building.

ASSESSMENT AND BEST TEACHING PRACTICES

Rosser School recognizes that good assessment supports student learning and is part of best teaching practices. Teachers use assessment for learning, as learning, and of learning to inform their teaching, to help students assess their own work, and to report student progress to parents. It is important to set learning targets as part of on-going learning and assessing.

Parents receive report cards in early December, March, and June. Progress Conversations are held in October and February. A portfolio night is planned in April to showcase some of the students learning. Parents are encouraged to contact the school if they have any concerns or questions about their child's progress.

SCHOOL CURRICULUM AND SCHOOL PROGRAMMING

Curriculum - Rosser School provides the provincially approved curriculum courses in English Language Arts, Mathematics, Science, Social Studies, French, Music, Physical Education and Art.

Resource/Student Services - Resource services are available to assist teachers in identifying students with academic difficulties or special needs, and to collaborate with teachers to develop programs and instructional strategies to address the needs of these students. Individual and/or group student assistance is available. Support in the areas of Child Psychology, Social Work, Speech and Language, Physiotherapy and Occupational Therapy is available to those students/families who require these services. These services are accessed through the resource teacher.

Guidance Counselling Services - Counselling services will be provided to students in individualized, group and classroom format as required.

APPROPRIATE DRESS AND FOOTWEAR

We trust families to use their judgment in regards to appropriate dress for school. Attention to respectful dress sets a tone within a school for focused learning.

Clothing must allow for full and safe participation in all school activities. This may include gym clothing for grade 3/4's going to Grosse Isle gym or appropriate clothing for the winter months for outdoor breaks and activities.

It is important for students to remove their footwear when entering school, and put on clean indoor shoes for the school day. (Please take the time to check that your child's shoes are non-marking).

Regarding outdoor clothing, please note that students are outside at the start of the day when they arrive off the bus, as well as recess. Appropriate outdoor clothing/footwear is required. During the winter months students may be outside in temperatures down to -29° C

VOLUNTEERS

Volunteers are an important part of school life, and we appreciate having volunteers in school. If you are interested and/or available to volunteer, please contact your child's teacher, or our secretary - Michaela France, at the school (204-467-2717). (Please note that division policy requires new volunteers to undergo a security check before working in the school).

SCHOOL LIBRARY

Students are encouraged to take out books from our school library. Each student is given a heavy duty zip-lock bag for their library book to protect the books from water damage - such as leaky lunches or wet mitts. They need to return their library books in this bag. (Please note that there will be a fee for any lost or damaged books.)

BOOKMOBILE

The South Interlake Regional Library's (SIRL) bookmobile visits Rosser School every three weeks so that our students have access to a variety of books. This service is free to those students who live in the R.M. of Rosser and R.M. of Rockwood. Please note that there is a \$0.25 fine for overdue books, and that SIRL will ask your child to pay for any lost or damaged books.

LUNCH PROGRAM

The Rosser Elementary Parent Advisory Council (R.E.P.A.C.) offers a lunch program during the school year. They are always looking for volunteers to help serve lunch. If you're interested and available, please call the school and we'll direct you as to how to get in touch

with the appropriate people. Lunch forms are sent home with your child. Please ensure that your order is in by the due date.

MILK PROGRAM

Forms are sent home approximately every month for pre-ordering and pre-paying of milk. Children are able to purchase a carton of milk, white or chocolate, for both of the nutrition breaks. The price is based on the cost of milk.

RESTITUTION APPROACH TO SCHOOL DISCIPLINE

Restitution is a term used by Diane Gossen, M.Ed., to describe a program that promotes self-discipline in students. It's a program that is being used by many schools all over the world, successful in building a team approach between home and school, solution-focused and effective in promoting a safe classroom environment. It's about creating conditions for the person to fix their mistakes and return to the group strengthened, and it's about restoring relationships and strengthening people.

Students, with the help of their teachers, work on creating a set of classroom beliefs at the beginning of the school year. Articulating classroom beliefs are part of a restitution program because it defines acceptable and unacceptable behaviors in the classroom. The idea is that if you believe in something, you will be motivated to behave in a way that supports that belief, and you will be motivated to follow the rules.

This does not mean that there are no consequences for inappropriate behavior. There are bottom line behaviors that need to be dealt with – and there needs to be a consequence. For example; continuous below the line behavior, weapons or running away will result in consequences.

See the next page for examples of above the line, below the line, and bottom line behaviors.

It's all about building strong relationships with students, parents, teachers, and the community.

What the Teacher Can Do ...	What the Student Can Do...
Direct the student to a place where he/she can cool-down and refocus. (time-out)	Use the time out to allow their body to calm down. Make the situation right.
Help student plan how to make up lost time.	Complete any unfinished work during agree upon time.
Talk with student in respectful way, asking questions – directing student to think about how to make it better.	Make a plan to prevent the behavior from reoccurring, and making things better.
Keep an open line of communication with parents, and inform them of child's inappropriate behaviors.	Explain his/her behavior to the parent and the steps he/she will take to correct the behavior, and prevent it from happening again.

MEDICATION POLICY

The following is the School Board policy regarding the administration of medication:

Non-prescription drugs are considered to be medication and should not be administered by school staff.

** If, under exceptional circumstances, a child is required to take **prescribed medication** during school hours and the parent cannot be at school to administer the medication, the principal or his/her designate only will administer the medicine in compliance with the procedures that follow:

1. A written authorization by the parent or guardian is required before prescribed medicine can be given during the school day.
2. The medicine bottle must carry the official label from the pharmacist stating the child's name, physician's name, the name of the drug, the dosage to be administered and if possible, the time of day it is to be given.
3. It is the responsibility of the parent or guardian to see that the medication is delivered safely to the school office.
4. The medication must be kept in a safe place in the school and administered by the principal or his/her designate.
5. We encourage asthmatic students to keep and be responsible for their own ventilators.

STORM DAY PROCEDURES

Parents/Guardians are requested to listen to the radio, check the divisional website, and answer the school messenger phones calls early in the morning in the event of inclement weather/-40 temp. or -45 with wind-chill, to determine whether the school will be closed on that day.

If the school is closed, the buses will not run.

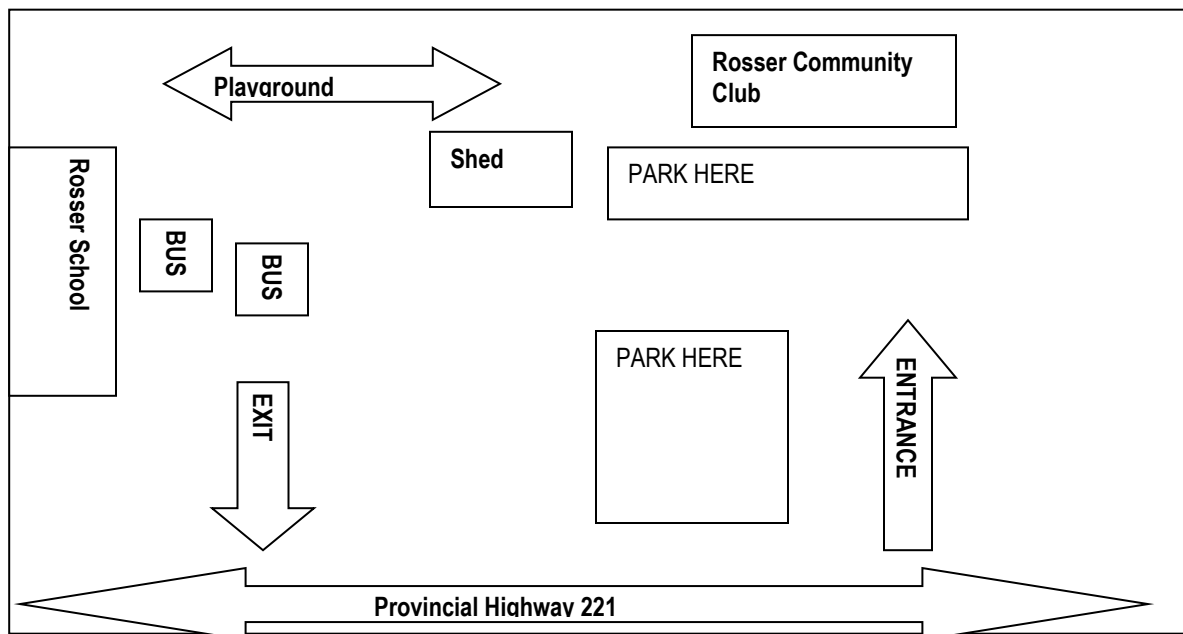

If it should become necessary to close the school and send the students home early, we ask that parents/guardians be sure the school has the name of a person, preferably on the same bus route, to whom we can send their child in case parents are not at home.

VISITOR PARKING WHEN SCHOOL BUSES ARE PRESENT

Parents are reminded that vehicle movement in the parking lot is prohibited when school buses are present.

If you need to pick your child up at the end of the day, please park your car by the community club or the parking lot entrance. Then walk to the school to collect your child.

Please see the diagram shown below:

ACCIDENT PROCEDURES

Our staff will attend to any student who receives a minor scrape, cut, or bruise. Should a child receive a more serious injury, the following procedure is followed:

- Parents/guardians or the designated emergency contact person will be notified. If possible they will transport the student to the doctor or hospital if necessary.
- Should no one be available for us to contact, we will transport the student to the hospital indicated on the student information sheet.
- Should we feel that an ambulance is required, **we will not hesitate to call one.**

SCHOOL SAFETY

To help ensure the safety of our students, certain potentially dangerous areas are out-of-bounds without supervisor permission. These areas include the furnace room, staff room, custodian's room, and the parking lot.

FIRE DRILLS, LOCKDOWNS, AND HOLD AND SECURE

Fire Drills: Fire drills and evacuation procedures are practiced at least 10 times during the year to familiarize the students with fire procedures. In case of emergency, students are expected to wear shoes in the building at all times.

- If a situation arises whereby the students cannot return to the school, they will be evacuated to the Rosser United Church.

Lock Downs: Lock down procedures are practiced at least twice a year to familiarize students with lock-down procedures. Parents will be notified following a lock-down practice.

- **A Lockdown is where all classrooms are locked and students are asked to move to a safe place away from all windows and doors.**

Hold and Secure: Hold and Secure procedures are practiced at least once throughout the year.

- **A Hold and Secure is where all external doors are locked, any breaks would be taken indoors and classes continue as normal**

TORNADO DRILLS

Every year, Rosser receives at least one Tornado Watch/Warning, which has necessitated a more comprehensive evacuation plan.

In the event of a Tornado Watch, we monitor the weather both visually and with Environment Canada. When we receive a Tornado Warning we evacuate the children from the school. Evacuation consists of all children and staff relocating to the basement of the Rosser United Church. We carry cell phones and are in communication with the following: The Interlake School Division Senior Administration, Grosse Isle School, RCMP, Rosser Municipality Office, and often the Division Bus Garage, depending on the time of day of the warning.

In discussions with Emergency Measures personnel, we determined that the church is the safest place for your children. We can move everyone from the school into their safe positions at the church in under 5 minutes. We practice this drill every year in both the fall and the spring. If the evacuation happens during the day and there is time, we will send a letter to you explaining what has happened. We will not be communicating directly to parents during the evacuation unless we are unable to send the children home on the bus.

EMERGENCY PREPAREDNESS PLAN

Rosser School completes and updates and Emergency Preparedness Plan. If there are any questions about emergency plans please visit our website or contact the school.

EARLY DISMISSALS

As part of an ongoing effort to improve achievement for our students, the Interlake School Division has one-hour early dismissals eight (8) times per year.

Early dismissals will provide the opportunity for regular teacher group meetings at the school level. These meetings will focus on further development of instructional strategies to enhance student learning in all our schools.

On early dismissal days, students will be dismissed one hour earlier than the school's normal dismissal time, at 2:30pm.

2019-2020 Early Dismissal Schedule:

- September 18
- October 16
- November 20
- January 15
- February 19
- March 18
- April 22
- May 20

Thank you for supporting Rosser School!
