

Dear Rosser School Community,

Though it feels like spring is months away, REPAC would like to announce the start of the Glenlea Greenhouse fundraiser. There are a few changes that have been made to the plant fundraiser, so please take the time to read below.

- The Glenlea fundraiser will begin on February 1st and run until April 15th
- Ordering will be online only this year. Please visit www.glenleagreenhouses.com
- Click on **Support a Spring Fundraiser Group** to view the products available for purchase. When you have completed shopping and are ready to check out, click on the cart. You will be asked to select a receiving method. Select to **support and pick up at a local fundraiser group**. Dropdown menus will then appear, please select **Rosser Elementary School PAC**.
- Payment options are: credit card or Interac e-transfer
- Plants will be delivered and available for pick-up at Rosser School on Wednesday May 26th
- Fall Mums will be delivered in early September and available for pick-up from Rosser School
- Gift cards can be purchased online. Those who purchased gift cards have two options. 1.) Individuals are able to go to the Greenhouse with their order confirmation and pick up their gift cards when they come in and do their spring shopping. Gift cards will be ready as early as April 26th or 2.) Gift cards will be sent to the school with plants for distribution.
- ****The Glenlea Greenhouse had a large increase in plant sales last year and they are predicting the same level of sales again this year. Please try to avoid waiting until the end of the campaign to place your order to avoid disappointment of favourite plants being sold out.****
- The fundraising efforts this year will be put towards Virtual Art Classes for the students of Rosser School.

Thank you for the continued support of our School Community!
