

R.E.P.A.C September Newsletter

Who we are/What we do

Rosser Elementary Parent Advisory Council (REPAC), is a group of volunteer parents who help organize fundraisers to support school activities and resources, and help provide support for our children, staff, and families as needed. We meet approximately six times a year and welcome anyone who wishes to join! Come and join us at our next meeting on Thursday October 20th at 6:30pm! All are welcome and child care is provided! If you would like to be added to our email list to receive notifications please text Fallon Campbell at (204) 461-1626 with your name and email address.

Playground Expansion: **We need your help!!**

Last year a huge portion of our fundraising efforts and grant applications went towards purchasing new playground equipment to expand our current playground. We have been able to purchase more swings as well as a rope climber for our students! Installation of these items is going to take place soon and **we are in need of 8-10 volunteers** to help us with that (laying landscape fabric, shoveling pea gravel etc.). The tentative date for this installation is **Saturday October 15th**. If you are able to lend a helping hand please contact Derek Boonstra as soon as possible! Thank you!

Fundraising

Our next fundraiser is happening soon and it will be for Mom's Pantry! Please keep your eye out for more details on ordering and due dates coming soon! Profits made from this fundraiser will go towards supporting the schools Toast Top up program, resources for the school and classrooms, as well as any unexpected school costs that may arise throughout the year.
