Welcome to the Interlake School Division. We look forward to providing a safe and nurturing educational experience for your child.

To register your child, please complete the following documents:

- Kindergarten Student Information Form
- Early Experiences Questionnaire
- URIS Form – for children with specific health care needs.
- Transportation Form (if applicable) – this can be completed online or the PDF can be printed and submitted to the school.

You will also need to provide:

- Proof of Address
- A photocopy of your child's birth certificate
- A photocopy of your Manitoba Health Card

We would be happy to make photocopies of any required documents here at the school! If you have any further questions, please contact Rosser Elementary School at (204) 467-2717.

Thank you,
