

# COMMUNITY REPORT

June 2026

## Our People

We are a K–4 school with 54 students, 1 teaching principal, 2 full-time teachers, 2 part-time teachers, 4 educational assistants, 1 administrative assistant, and 1 custodian.

## A message from the principal

*It is hard to believe that another school year has come to an end. We are extremely proud of the students of Rosser Elementary and the growth they have demonstrated throughout the year. Whether in academics, citizenship, leadership, or relationships, our students have grown and thrived.*

*I hope everyone has an enjoyable summer, whether it is spent relaxing, exploring, or spending time with family and friends. A break from school is important, but I also encourage students to make time for reading, writing, and practicing their math skills.*

*Have a wonderful summer!*

## Learning with Elders and Knowledge Keepers

*Throughout the year, students engaged in meaningful learning opportunities with Sayzoons, Dave Lavallee, and Cheryl Alexander. These experiences supported our school's commitment to culturally responsive programming and helped students deepen their understanding of Indigenous cultures, perspectives, and histories.*

*As part of this learning, students in Grades 1–4 co-created classroom Land and Treaty Acknowledgements and proudly used them to open school events and presentations. By sharing these acknowledgements in their own voices, students demonstrated a growing understanding of respect, relationships, and their role as residents of Treaty 1 territory.*

## Special Events

## Our Thanks

*We are deeply grateful to the members of the Rosser Elementary Parent Advisory Council for the countless hours they dedicate to supporting our school. We also thank our volunteers, and families for helping make special events, field trips, and activities possible. Together, your support helps make Rosser Elementary a wonderful place to learn and grow.*
